EDUCATIONAL
COLLECTION

About:

AI Industries has years of trading and manufacturing expertise in United Arab Emirates, making it a reliable company for contemporary design in Classrooms, Library, Front office, Admin, Multipurpose, Banquet, Outdoor, Joinery, Office furniture, Restaurant furniture and other FF&E.

In addition to achieving our clients' visions, we strictly adhere in giving attention to detail and emphasize on quality, resulting in unique and creative solutions that meet the expectations of our clients.

Excellent service from highly motivated staff.

Everything we do revolves around our clients' diverse sectors, locations, requirements and demands. This further enhances our reputation and customer satisfaction.

Vision:

We aspire to be the industry's pre-eminent voice and establish a new standard for FF&E. To get where we want to go, we must first see it and then devise a strategy to get there. By demonstrating the high-quality operational procedures, we aim to be the industry's benchmark in the FF&E and interiors sectors.

Mission:

To build long-term, mutually beneficial business ties with our customers. Apply our exceptional abilities, innovative techniques and broad market knowledge to the benefit of our customers.

Provide our loyal customers with outstanding quality and service at the most affordable pricing.

KINDERGARTEN FURNITURE

PG 2147

PG 2135

The Diamond shell is double-walled shell in 100% recyclable polypropelene. Modern design and ergonomic, shape that follows and supports the natural forms of our body encouraging a comfortable sitting posture with the "air-cushion" effect. The seat surface presents microholes that allow the internal air recirculation, maintaining a constant and uniform temperature and reducing the humidity that would inevitably be created in case of prolonged sitting sessions.
